During the year attendance is monitored daily and each week classes receive awards for their attendance in the previous week.

On Monday the attendance award was presented to **Year 5 WELL DONE!**

Nursery AM 92.3%, Nursery PM 87.7%

Reception 94.3%,

Year 1 97.7%, Year 2 92.3%,

Year 3 98.3%, Year 4 97.9%,

Year 5 98.6%, Year 6 96.9%

Our new attendance target is **96%**

LUNCHTIME AWARDS

On Monday awards for last week were given to:

Reception: Ellie-Jo

Year 1: Warren

Year 2: Marley

Year 3: Eli

Year 4: Kevin

Year 5: Riley

Year 6: Ruby

FOUNDATION NEWS....

NURSERY

This week in Nursery, we have been looking at Jungle animals and which ones you can find there. We have been thinking about what animals we would like to invite to a party. In Maths, we have been practising everything we have learnt this year. We have started practising different sports activities for our Sports Day next week.

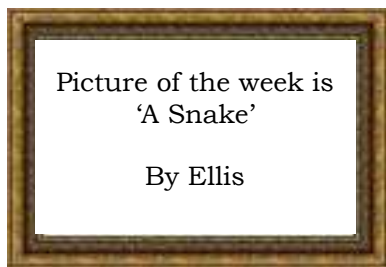

Next Week, we will be looking at how to keep healthy and doing different activities.

RECEPTION

We have enjoyed using non-fiction books to find out about mini-beasts. We have spotted lots of mini-beasts in our outdoor area and have used our observation skills very well when recording. Well done to lots of our children who went on a mini-beast hunt at home and recorded what they saw in their 'Home Learning Journey'.

In our Maths sessions we have been using, and applying, our measuring skills. We have used a lot of key vocabulary related to measuring i.e. short, shorter, long, full, empty, half full etc.

Next week we are looking forward to our health and fitness week. We will be finding out about the range of things we need to do to stay healthy and fit. Remember to wear your sports kit and outdoor trainers every day.

Dorothy Hyman to take part in an Athletics competition, it was a hot afternoon but everyone tried their best and had a great time.

Next week is health and fitness week and we will be learning about how to keep ourselves fit and healthy and about some new sports too.

YEAR 1 NEWS....

During assessment week the children have worked really hard and have shown us all the skills they have learnt during their time in Year 1. The children described a setting and used adjectives to write about what it looked like. They also thought carefully about using punctuation correctly and adding interesting sentence openers. In preparation for next week, we have also been practicing the rules of dodgeball and our skills in relay/running races.

YEAR 2 NEWS....

This week in Big Write we wrote our own recounts using our story plans based upon the story Maisie's Dragon. We really enjoyed showing off how well we can now use conjunctions to extend our sentences and make them more interesting. In maths we have been revisiting skills we have learnt over the year such as inverse, adding and subtracting 2 digit numbers and tens and some shape work. George has been a visitor to our class this week which was great and we can't wait to spend more time with him. In PE this week we have been revisiting the rules of cricket. We have some very talented cricketers amongst us.

Next week is sports week. Just a reminder for everyone to come in team colours all week. We can't wait to see lots of parents at our sports day on Tuesday afternoon.

YEAR 3 NEWS....

Well done Year 3, you have all worked really hard during assessment week. we also had a poetry lesson on the Kenning's style of poetry. It was really fun and we produced lots of great poems. On Thursday we went to

YEAR 4 NEWS....

Everyone has worked really hard this week in all their assessments. All the adults are proud of what everyone has achieved this year. We have been practicing this week for sports day and we are really excited about health and fitness week.

Next week we will be learning about how to keep our bodies fit and healthy and taking part in lots of different sports. In Topic we have started to look at the local area and tried to find Grimethorpe using our map skills, we will continue with this into next week.

YEAR 5 NEWS....

Well done everyone on trying really hard in your assessments and being extremely mature in dealing with SRE. We have now completed our afternoon boosters so well done to all the children who attended these this half term.

Next week is sports week which we are really looking forward to. Please make sure children wear appropriate footwear all week and in as close to their correct team colour as possible. Our official sports day is on Wednesday afternoon and we are looking forward to seeing you, and racing against you, in the finale with the adults race. Well done for all the hard work with homework this year. Thank you and long may this continue.

YEAR 6 NEWS ...

The children have had a fantastic week. we have worked really hard on preparation for our leaver's assembly. The children have dealt with SRE in a very mature way and they

found these sessions very worthwhile and enlightening. We have also worked hard on the transition to secondary school with many of the children's worries and concerns being addressed in these classes. Please take time to discuss the SRE and transition classes we have done in class with your children – the move to secondary school can be very intimidating for many children.

Sports week next week; please make sure your child comes in appropriately coloured sportswear all week.

END OF YEAR REPORTS

A quick reminder that reports will be issued on 14/07/2017 and, following receipt of your child's report, if you would like to arrange a face to face meeting with your child's class teacher we will be happy to accommodate you. Please speak directly to your child's teacher to arrange an appointment, if required.

HEALTH & FITNESS WEEK

Don't forget, Health & Fitness next week.

ALL children may come to school in their sportswear and sports shoes/trainers for the whole of this week – please try to ensure that they wear a top in their team colour.

Nursery parents are invited to join in with a sports and fitness event on Monday 10th July:

Morning children: 10.30am to 12 noon
Afternoon children: 1.45pm to 3.15pm

Reception parents are invited to a traditional sports day afternoon on Friday 14th July from 2pm until 3pm.

Key Stage 1 and Key Stage 2 children will also take part in a traditional sports day event during the week, parents are invited to these which will take place on:

Y1 & Y2 Tuesday 11th July 2017
Y3 & Y4 Thursday 13th July 2017
Y5 & Y6 Wednesday 12th July 2017

All events will run from 1.30pm to 2.50pm.
